

Declaration to Passage Contract
(Increased risk of piracy)

I, the undersigned passenger, herewith declare that I have been advised that

MV.....

will / might pass the Gulf of Aden and adjacent waters.

I have been notified that this is a piracy area. There is a higher risk that the vessel might be attacked, captured or otherwise trapped by pirates.

I accept that increased security measures such as locking of outer staircases and outer doors will be made and/or other arrangements (e.g. darken portholes) will be taken.

A minimum of measures is compulsory according to the flag state's requirements. I furthermore accept that the Captain of the vessel may at any time execute his overriding authority over the vessel, the crew, the passengers and the cargo and may at any time order further measures. I will follow the Captain's orders. While the vessel passes the so called "high risk area" it may be that walks on deck are not allowed and will for the whole passage through the "high risk area" be subjected to the Captain's decision.

I herewith confirm that I will neither hold the NSB Reisebüro GmbH, the Reederei NSB, agencies, vessel's Owners nor captain and crew responsible for any loss, theft, criminal assault or death that might occur because of a piracy attack.
