

ANTWERP – IMMIGRATION RULES

All passengers who embark and/or disembark a vessel in Antwerp have the obligation to report to the immigration.

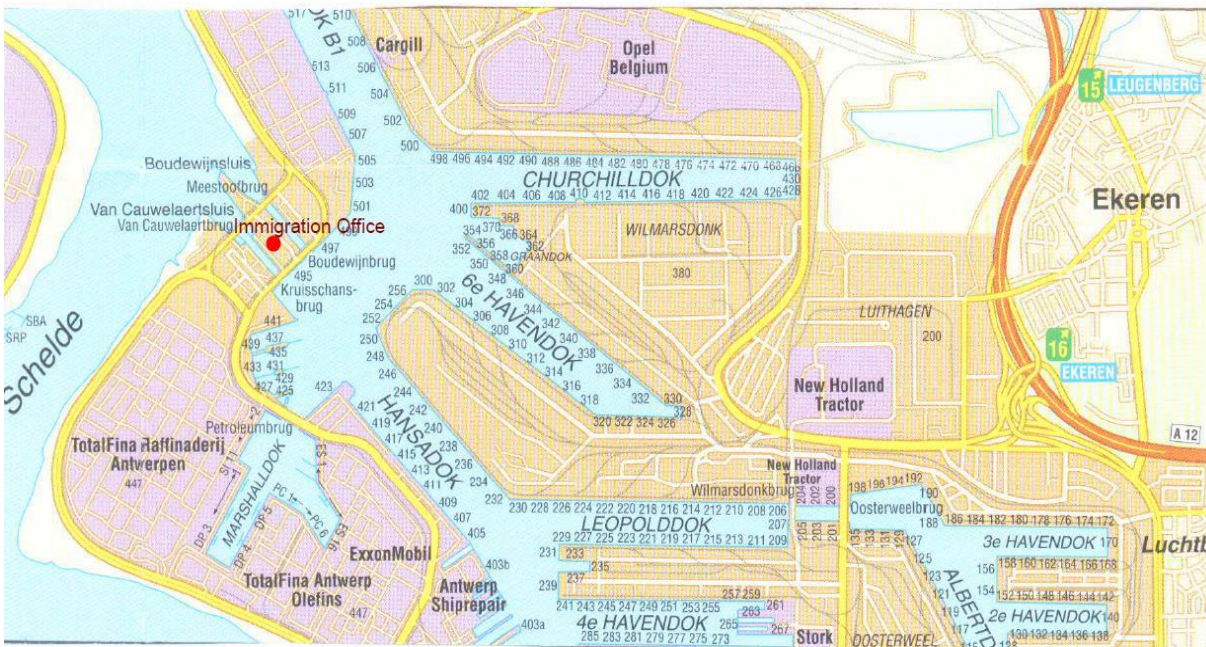

You will find the responsible office at the following address:
Kauwenstein 8 (between Boudewijnsluit und Van Cauwelaertsluis)
2040 Antwerp
+32 – (0) 35460730

The Immigration Office is open 24h/day every day. The taxi costs (approx. 50,-€) are for passenger's account and have to be paid on spot.

Violating this regulation a penalty **of 200,00 € - 5.000,00 €** might be imposed. The port authorities may arrest the vessel and the arising costs would lead to very serious consequences for the shipping line.

The shipping line reserves all rights including complete regress towards the passenger, if the instructions will not be followed!

Kindly make sure to get a receipt at the Immigration Office in order to avoid any misunderstandings or inconveniences.
