I have read and agree to the Scheduled Expeditions Terms & Conditions of SIM Expeditions (Turismo Sea, Ice & Mountains Ltda.). I agree that this sailing expedition has a sportive character. SV Santa Maria and SV Santa Maria Australis are built for high latitude sailing. They are equipped with all necessary safety equipment. I recognize that I cannot compare these areas with common sailing destinations. Any expedition sailing in this remote area still implies even a little risk. All shore activities will be undertaken at my own risk.
