Included Excursions

Austral & Society Islands

At each island stopover, an excursion is included as part of the cruise fare and per our daily itinerary. Each activity has been designed and developed between Aranui Cruises and the local islanders to show off the highlights of each destination, including archaeological sites, villages, botanical gardens, and arts and crafts centres.

Moorea

As an included activity, discover the authentic flavors of Moorea with a visit to the renowned Te Rotui fruit juice factory and Manutea, where you will also explore the island's lush pineapple plantations and explore the island's unique marine and terrestrial ecosystems, the Ecomuseum TE FARE NATURA.

Rurutu

Rurutu is renowned in Polynesia for its high-quality basketry, including hats, bags, and rugs made from pandanus leaves and natural materials. Upon arriving at Rurutu via the Aranoa, passengers are greeted with local songs and have free time to explore the tranquil village of Moerai. The second day offers a tour of the island's scenic wonders, including cliffs, caves, lush jungles, sandy beaches, and a traditional meal, with the opportunity to witness humpback whales in September as an optional activity.

Rimatara

Visitors can explore the main villages, including Amaru, Anapoto, and Motuaura, where the cemetery holds the lineage of past kings and queens. A picnic in Motuaura's village is followed by opportunities for swimming, and birdwatching for the colourful Kuhl's Lori.

Tubuai

Tubuai, the most populous island in the Austral Islands, welcomes passengers at Bloody Bay's landing stage with local music and wreaths. Visitors can observe art and craft demonstrations, including local sandals and "more" as local costume dance making. The day's activities include a truck tour of cultural sites followed by lunch on board and opportunities for snorkelling.

Rapa

Rapa, the most remote of the Austral Islands, boasts a unique crescent-shaped coastline with numerous deep bays and a temperate climate. Despite the absence of coral or coconut trees, the island is abundant in non-tropical fruits and vegetables like apples, peaches, and nectarines. Upon disembarking at Ahurei dock, passengers are greeted with flower wreaths and traditional Rapa music, followed by a visit to the cultural centre to witness local handicrafts and enjoy a traditional meal. Included Activities include a hike to Fort Morango Uta.

Raivavae

Raivavae, often described as the "Bora Bora of the past," is known for having the most beautiful lagoon in Tahiti and its islands. Passengers disembark at Rairua Pier, where they are greeted with flower wreaths and local music. A tour of the island includes visits to the "Smiling Tiki" and marae sites, along with a typical Raivavae buffet served under a covered pavilion. Optional activities include exploring motu Vaiamanu, known as the "motu swimming pool, and a coral garden for snorkelling.

Bora Bora

Upon arriving in Bora Bora's stunning lagoon, you'll be greeted by the majestic Mount Otemanu, the island's highest peak. This paradise offers the option to relax on the beach and enjoy a barbecue on the private Motu surrounded by clear waters. Additionally, you can partake in various optional excursions, including scuba diving, lagoon tours by boat or motorized canoe, and swimming with sharks and rays.

Raiatea

You will visit a luxurious Botanical Garden and the archaeological site TAPUTAPUATEA, a 1,000-year-old large marae complex, or open-air temple, and now a UNESCO World Heritage Site, which is regarded as the religious and spiritual centre of all of Eastern Polynesia

Huahine

Huahine, the authentic island, the hidden gem, is home to nearly 200 “marae”, around 30 of which have been restored. You will have the opportunity to visit the Fare Pote'e, the famous giant blue-eyed eels, and breathtaking panoramic viewpoints through the day. You will also discover its magnificent lagoon and beautiful coral garden. A picnic lunch is organized on a private motu, where you can enjoy swimming and snorkelling in a stunning tropical setting.

ARANOA

A new adventure in the South Seas

A PASSENGER-FREIGHTER: CARGO CRUISING

In 2027, the Aranoa will sail the waters of the South Pacific to embark on its main mission: supplying the Austral Islands and showcasing its magnificent, still unknown islands. Like the Aranui 5, which will continue to serve the Marquesas Islands, the Aranoa will also be a mixed passenger-freighter vessel, equipped with the latest technologies to minimize its environmental impact.

This unique model of inclusive tourism, which has contributed to the company's success for 40 years, is particularly well-suited to the insular territory of French Polynesia. The 13-days cruise, with full board and daily excursions included, will unveil the preserved beauties of the Austral islands, but will also stop in the famous islands of Moorea, Raiatea and Bora Bora. This project will help develop the Austral archipelago by offering new economic opportunities, promoting inter-island exchanges, and highlighting its vibrant landscapes and rich Polynesian culture.

ARANUI CRUISES ATMOSPHERE: A POLYNESIAN CREW

From its inception to the present day, and through successive Aranui ships, the concept of Aranui Cruises has remained the same: a traditional and authentic Polynesian offering by Polynesians for the benefit of Polynesia. In that spirit, nearly all the staff and crew are Polynesian, hailing from islands across the five archipelagos. It is their insider's perspective and how openly they introduce their home to the outside world that creates an atmosphere unlike any other cruise line sailing these waters.

Whether in the public spaces, at special dinner events, as part of the onboard entertainment or assisting guests from ship to shore on our tenders, you will become well acquainted with our lively and talented crew members. Though some can be a little shy at first, once you strike up a conversation, you will discover why they are an integral part of the Aranui experience.

SOCIAL & ENVIRONMENTAL

Aranui cruises company is built on three strong pillars: comfort, security and protection of the environment. Comfort cannot exist without the highest security. For this reason, the company has implemented the International Security Management (ISM) to optimise its security policies and standards for passengers and the protection of the environment.

In 2022, Aranui Cruises received certification from the Green Marine Environmental Program whose main goals are:

- to reduce the marine industry's environmental footprint and pollution potential
- exceed regulatory compliance
- strengthen environmental performance through a process of continuous improvement

Aranui Cruises also obtained the "Company protecting biodiversity" certification and is collaborating with the Polynesian ornithology association to save the region's endemic birds. In addition to the measures taken to prevent the spread of invasive exotic species from Tahiti to the archipelagos it supplies, the company familiarises its staff with invasive species and raises passenger awareness about its programs through informative displays in public areas onboard.
